Instruction manual for BeachHouseDiscount.com.

Picture this- You have just driven over the beach bridge and you sight our emerald waters and bam- before you can say "Jimmy Buffet" the tidal tempo washes over you, the salt air fills your nostrils, and your radio automatically tunes to The Temptations.

YOU KNOW YOU ARE AT THE BEACH!

BeachHouseDiscount.com gives you and your family the opportunity to stay in upscale accommodations at the beach at discount prices. We have negotiated discounts with the owners of the luxury accommodations and pass these savings on to you.

Here is how it works:

- Last minute trip plans are rewarded with discounts from 10-30%. The owners of the properties determine availability each week and the discount offered.

- Accommodation availability is posted on this site frequently - so check back often. Duration of stay is usually from Saturday to Saturday or Sunday to Sunday. Check Sneak Peak for short weeks or future weeks.

- Discounted beach accommodations are first come first serve-so act quickly.

Now we got you thinking - how do I pull this off. Here is the scenario. You are sitting around with your family trying to make plans for your next trip when your wife suggests that you paint the garage. You spring into action and tell her how much money you can save the family if you make last minute BeachHouseDiscount.com plans for a trip to the beach. Use the same logic she uses when she tells you how much money she saved you by shopping at TJ Maxx. Throw in the comment of how much younger she looks with a tan. It works every time.

Remember that a bad day at the beach is better than a good day at the office.

SEE YOU AT THE BEACH.
